

## People to Vote on Recreation Center

LOAN ORDINANCE PASSED BY COUNCIL, COMING UP AT NOVEMBER ELECTION—WILL PROVIDE MUCH-NEEDED FACILITIES FOR OUT-DOOR ACTIVITIES.

The question of whether Narberth shall take advantage of the opportunity now open to acquire a tract of land—in fact, the only remaining available tract within the borough—for an Outdoor Recreation Community Center, will be submitted to the voters of Narberth at the general election to be held Tuesday, November 8.

Our Borough Council has passed the enabling ordinance, and if a majority of the citizens of the borough vote in favor of the ordinance, Council will be empowered to borrow \$30,000 and acquire the tract of land.

### Six Acres in Tract.

The site of the proposed Outdoor Recreation Center is the tract of land, about six acres in extent, which lies directly north of the embankment of the Pennsylvania Railroad, and is bounded on the north by Windsor avenue, on the west by Wynnewood Road, and on the east by a line that marks the rear of the properties on the west side of Conway avenue.

The idea of saving this tract of land from being purchased by a private concern and used for manufacturing or industrial purposes, and the further plan of having the borough acquire the site by purchase from its present owners—the Pennsylvania Railroad—and the making of the land into an outdoor community recreation center, originated about a year ago with a group of public spirited citizens who formed themselves into an organization.

### Meeting Called for Monday Night.

This organization, which has been operating under the temporary name of the Narberth Playground Association, has been fostering the plan for the proposed community center; and with the passage by Council of the enabling ordinance which will provide the funds to acquire the land, and the approach of the election, J. J. Cabrey, temporary president of the Association, has called a public meeting of citizens to be held next Monday night at Elm Hall. At

### SENIOR RECEPTION TO THE FACULTY.

The Senior Class proved to be very delightful hosts and hostesses last Thursday evening when they gave a reception to the High School Faculty. All barriers of age and position, which frequently characterize gatherings of faculty and students, broke down before the leveling influence of stunts, games and refreshments, and brought every one present to a common plane of comradeship and good-will. The teachers were first called upon to give "their stunt," which was a playlet called "Gathering Nuts." This was followed by a harrowing "Tragedy in Three Acts" by the Seniors, in which the hero allowed only the curtain and footlights to withstand his tempestuous onslaught. A vocal solo by Miss Speakman and an impromptu rendering of an operatic selection by a double quartette comprised the musical program, and charades and other games contributed to the evening's pleasure. Refreshments, made by the girls, were served, and the party ended happily. It is to be hoped that this is only the first of many similar occasions at the school this winter.

## Community Club to Hold First Luncheon

SEASON'S ACTIVITIES TO BE OPENED BY LUNCHEON ON TUESDAY, OCTOBER 11TH, AT 1.15 P. M.

This is the date when the Narberth Women's Club will meet with several of its neighboring clubs over a tasty luncheon to become better acquainted and better fitted for the year's work. This is the day when every one comes in with a smile, and an eager look in the eyes. Why? Because they know it is to be a happy time; a social time with friends they have not seen all summer, and a time to meet some of the active club women who are working in clubs all about them. They will exchange ideas, each learning from the other.

They will all go home smiling and determined to do something worth while this year, something to boost their club and their town, something to help make their club the best club in Montgomery County, and that means the best club in Pennsylvania.

Many have already marked the date on their calendar, judging from the way the requests for reservations are coming in.

Now, who is to speak? The President of one of the largest and most active women's clubs in Philadelphia, Mrs. Herman H. Burney, of the Philo Musian Club, will give an address. There will be several others, well worth hearing. One more name may as well

## Building and Loan

Another chance to take out stock in the new 32nd series of the Narberth Building and Loan Association will be offered the readers of Our Town on next Thursday evening, October 6th, at the Fire House, from 7 until 9 o'clock. This new series started with the September meeting, and by paying the September and October dues you can become a stockholder. There will be no fines collected, just the two months' dues and twenty-five cents a share entrance fee.

The new Short Term series seem to be very popular; these are the shares on which double payment is made, that is, two dollars each month in place of a dollar, as paid in the Long Term; and at the September meeting 301 new shares were issued in the Short Term and 213 in the Long Term, which makes this new series amount to \$815 each month.

There will be a number of additional shares issued at the October meeting, as a number of people were away during September and will want stock in the new series.

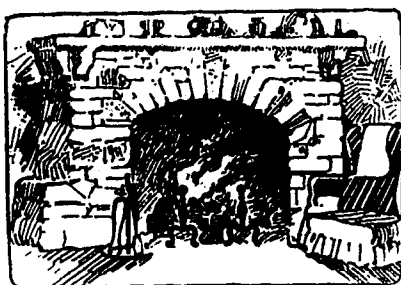

Tom says:

Do you know that there are Over 1,800 Building Associations In the State of Pennsylvania, and That they have many millions of Assets?

Narberth Building and Loan Association

## Bob Fretz Defeats Thorny Grugan and Wins 1921 Tennis Singles Championship

BUT THERE WAS PLENTY OF GLORY FOR THE VANQUISHED AS WELL AS THE VICTOR—WELLS WANAMAKER WINS JUNIOR TITLE—NARBERTH DEFEATS BUCKS COUNTRY CLUB. RUMOR OF ANOTHER BIG BATTLE!

Bob Fretz won the Singles Championship of the Narberth Tennis Association for 1921 last Saturday afternoon, by defeating Thorny Grugan in as hard-fought and exciting a match as has been seen in Narberth in a long while. And what's more, it was a better and more interesting contest than a good many of the matches that were played a week or so ago in the National Singles Championship Tourney at Manheim—and that's not "local pride" either!

The contest went to five sets, and five better sets of tennis, from any angle of the game, could not have been desired. Both players were in excellent form and they afforded the spectators two hours and more of excellent sport.

### Almost Unbelievably Close.

We have Mr. Grugan's word for it that Mr. Fretz is entitled to every bit of credit that can be given him—and we are only too glad to add our own congratulations—but that does not in any way disprove the facts of the score and the analysis of the play which show the match to have been closely contested to a degree almost beyond belief.

First of all, consider the scores: 6-4, 3-6, 4-6, 9-7, 6-4. Total up the games and you will find that Mr. Fretz won 28, and Mr. Grugan 27. Then look at the point scores, and total them up and you'll find that Mr. Fretz scored 192, and Mr. Grugan 187. Do you get that—five sets, fifty-five games and total of 379 points, and only a difference of one game and five points between winner and loser! It will also be noted from the scores that nineteen of the fifty-five games went to deuce.

None of the foregoing, however, should be misconstrued as indicating even to the slightest degree any desire to detract from Bob's victory or soften Thorny's fall from the pinnacle of runner-up. We don't deal in that kind of goods. Our aim is merely to demonstrate from the mathematical facts that it was SOME contest and that the spectators were treated to as fine a tennis match as might be seen in a long journey.

### Fretz Excels in Placements.

Fretz won because he was slightly the better player. Where he excelled most was in his placement shots and in his service. In the entire match he scored 31 placements against Grugan's 14, an adad 7 aces against Grugan's 1. In nets and outs they were practically even. Whereas Fretz's shots tended to be a bit low, costing him 85 nets, Grugan drove his shots a little high, costing him exactly the same number of outs. Grugan had 67 nets and Fretz had 71 outs.

The discrepancy in double faults—Fretz had 16 against Grugan's 2—is accounted for by the fact that Fretz was serving his second ball almost as hard as his first. Thus he got many more aces than Grugan, but in taking the chance on the second ball he also fell into quite a good many more double faults than his opponent.

Up to within the last couple of games in the fourth set it certainly looked as though Grugan would win. After losing the first set, he took both the second and third, and at one time toward the latter part of the fourth set, after that round had passed deuce, he led by a whole game and had a point lead of 30-0.

"And any player who can climb out of that hole and win is deserving of all the credit that can be given him!" is the way Mr. Grugan extended his compliments and congratulations to Mr. Fretz.

For the very complete score and analysis of the Singles Championship match we are indebted to Mr. Walter Cowin, who refereed and scored the contest, ably assisted by about two-

thirds of the membership who acted at various times as linesmen.

### Wells Wanamaker Wins Junior Title.

While the Fretz-Grugan match was being decided another interesting championship contest was in progress on one of the other courts. This was the final match in the Junior Singles, which was won by Wells Wanamaker in three straight sets from Robert Gilfillan. But the fact that the Junior Championship was settled in three sets does not prove, however, that the match was one-sided. On the contrary, it was a close and hard fought battle and reflected a lot of credit on both boys. The scores were, 6-3, 7-5, 8-6. In the third set it looked for a while as though Gilfillan might win. He had a good lead and seemed to be certain of the set. But Wanamaker braced up, played the very best he knew how and finally caught up to his opponent and passed him at 6-6, and then won the next two games.

Incidentally the junior members put on some excellent matches throughout the tournament and the success which attended this year's event indicates plainly that next season's junior tournament will develop more playing participants and even keener interest.

### Narberth Defeats Bucks County.

In the club meet between Narberth and the Bucks County Country Club of Langhorne, Narberth won seven out of the nine matches. The six singles matches were all won by Narberth players, while the visitors won two of the three doubles events. The scores follow:

C. L. Warwick, Narberth, defeated Atkins, Bucks County, 6-1, 6-2; F. Fretz, Narberth, defeated Butterworth, Bucks County, 6-1, 6-3; Shaw, Narberth, defeated Paul, Bucks County, 6-3, 6-3; Kirkpatrick, Narberth, defeated Esherick, Bucks County, 6-0, 6-0;

## League of Women Voters Non-Partisan

Owing to the similarity in the name of the League of Women Voters and the League of Independent Voters, some confusion has arisen in the minds of a few people, and apparently in some instances an erroneous impression created that the League of Women Voters as an organization were endorsing two of the candidates for the School Board at the recent election.

Since the League of Women Voters has in no way been responsible for any candidates at this election, it wishes to take this opportunity of correcting any such misunderstanding.

### NEW LATE—OR EARLY—TRAIN TO STOP AT NARBERTH.

General Notice 1016 of the Pennsylvania Railroad states that train No. 41 will make an "S" stop at Narberth. The aforesaid No. 41 is the train which leaves Broad Street Station at 3.10 A. M.

The home-loving citizen who obeys the curfew at 9 o'clock or so will be unruffled by the advent of this long-wished-for train, but anyone who has ever attended a party at, say, Logan, and had to leave before 11 o'clock to avoid a long, late walk, will now be able to stay for the last walk.

The train will stop only at Narberth and Bryn Mawr, implying, no doubt, that our good neighbors of Merion and Wynnewood are expected to be in bed by that time.

We thank the Pennsylvania Railroad for another addition to an excellent train service.

## Editorial

### GOOD IDEA

In the past week or so, several readers have called our attention to the sad need of a little paint on the doorway of the Y. M. C. A. building.

It is very noticeable that the entrance to the building has become extremely black and unkempt in appearance in the last year. In connection with the efforts of the Civic Association, through Our Town, to improve the appearance of our business section, it is felt that some attention should be directed to the Community Center.

The cost of giving this doorway and balcony a couple of coats of paint would not be large, and there are doubtless a good many people in Narberth who would be willing to chip in on this proposition, which is everybody's business, but no one's responsibility.

Perhaps the organizations which use this building as their headquarters would be glad to share the small cost of this job, which will make a big difference in its appearance. Any organizations and individuals willing to co-operate in this excellent idea are invited to communicate with Our Town.

## Communications

### A REQUEST FOR FACTS.

To the Editor of Our Town:

The writer wishes to protest against the statement in the political advertisement in last week's issue of Our Town that "our High School does not receive the proper recognition from the colleges and universities."

Will the writer of the Independent Voters' Committee oblige me by bringing forth a single incident where a graduate of our High School has not received recognition on a par with a graduate of any public preparatory school in the country?

Every Narberth graduate now in college is aware of defects in his or her college preparation, it is true, but the standing of the local High School is still unquestioned.

Narberth High School, considering its size, has received unusual recognition from the first-class institutions, and according to the best available information, this recognition is still extended.

AN ALUMNUS.

To the Editor of Our Town:

If, as stated by a correspondent last week, the borough officers assert they have no power over private enclosures, it would seem time they acquired authority at least to enter grounds grown up to weeds and cut them at the expense of the owner. It often happens that tall weeds encroach on neighboring properties and on public sidewalks. Here, then, is certainly scope for borough action. How can civic pride be maintained under present circumstances?

CAMOLEN.

To the Editor of Our Town:

"When you hear of good in people—tell it,

When you hear of a tale of evil—quell it.

Let the gladness have the light.

Put the evil out of sight.

Make the world we live in bright

Like the heaven above."

I have noticed through the columns of Our Town, a tendency toward complaint and criticism, often expressed in a sarcastic manner. Why is this necessary? Constructive criticism is valuable and appreciated,—and why not express it better, more kindly?

May we not have a "cheer" item, each week, if possible? Webster says to cheer means to gladden, encourage, and applaud. If we would take a few minutes to write about that praiseworthy deed someone did the other day, and send it to Our Town, wouldn't our paper be a tiny bit more worth while?

Right cheerily yours.

A FRIEND.

To the Editor of Our Town:

My letter in your issue of last week concerning the condition of the lot at the corner of Narberth and Chestnut avenues produced immediate and very satisfactory results.

The lot has been put in fine shape, the old oak tree carefully trimmed, and the piece of ground changed from an eyesore to an attractive lot.

I wish to thank Our Town for giving space to this request, and the new owner of the lot for his prompt attention to the matter.

CLARENCE J. GALLAGHER.

### SUBURBAN ASSOCIATION

The new development of stores along Lancaster pike in Ardmore is on the new building line established by the State Department of Highways, and very clearly shows the line of future development and advantages of the widened pike.

The Suburban Association published a statement today that a hay-wagon came down the Lancaster Pike. A truck came the other way. It couldn't pass; so it turned off—and was wrecked.

A score of Main Line business men going to their offices came down the Pike; there was no room for them at all. They made detours.

What was the trouble?

The main highways on the Main Line have grown inadequate.

So the Suburban Association went to work through its Road Committee, of which Mr. Samuel Ren, President of the Pennsylvania Railroad, is chairman, and in co-operation with the State Highway Department, necessary legislation was secured, and that Department is making surveys.

Lancaster pike will now be widened by the State to 80 feet from house to house, all the way from Overbrook to Rosemont and possibly through Wayne.

So will West Chester turnpike.

As a Main Line man said recently: "The Suburban Association is beginning to do things." It can do more—but not alone.

### MISSIONARY SOCIETY TO MEET.

The Women's Foreign Missionary Society of the Methodist Episcopal Church will meet at the home of Mrs. C. E. Kreamer, 114 Forrest Avenue, on Monday afternoon, October 3, at 2.30. Reports of the Chambersburg Conference will be given by the Misses Solweig Knutzen, Alice Maltby, Frances Keim and Emma Mueller.

### MAIN LINE Y. M. C. A.

A great many people who use the swimming pool during the summer are of the opinion that it is not available for use during the winter months, or if it is available, it is too cold for use. As a matter of fact, the locker rooms, shower baths and swimming pool are kept warm enough to be most helpful to those who may desire to use them at any time during the year. This offers opportunities to all persons along the Main Line, who care to do so, to keep up their swimming throughout the year, or if they do not know how to swim, to learn during the winter.

Section 2. That said loan is to be secured by bonds of the Borough of Narberth, and that a public election be held on Tuesday, the eighth (8th) day of November, 1921, between the hours of 7 A. Attest: CHAS. V. NOEL,

Secretary of Council.

Approved this 9th day of September, 1921.

### POLITICAL ADVERTISEMENT

Dear Independent Voters:

In last week's issue of Our Town you seemed to object to my praise of Mr. Robert J. Dothard as a candidate for re-election on our local School Board. When you can produce a man of better ability for the position, trot him out and get his name on the ballot.

I repeat that any attempt to usurp Mr. Dothard's place will not be to the best interests of Narberth's taxpayers and students. In using the word "usurp," I have not in mind any power handed down from kings, but a position to which Mr. Dothard has been elected by his fellow-townsmen and has well earned during his term of office.

You use the term "autocratic control" in connection with Mr. Dothard's re-election, and thereby again show a very poor, if any, knowledge of School Board affairs.

What is the issue? To improve our schools, or to simply tear down to show that it can be done?

When you can show a constructive program the voters of Narberth are with you, but it seems that they are all not fully convinced—despite your efforts to spread wider the idea that our schools are all wrong.

Watch your facts, be constructive, and we shall see in November.

Weather permitting, the final match in the Consolation Doubles Tournament will be played this afternoon between Boyer and Fenno and Earl Warwick and W. W. Evans.

"The Long and Short of it is, we will do our very best, and hope to win," said Mr. Fenno.

Warwick and Evans reached the finals by defeating, last Saturday, Kruse and Muschamp, 8-6, 6-2, and then defeating Dunn and Scanlon 6-0, 6-0. Fenno and Boyer had a hard match in the semi-finals, defeating Smedley and Baer 6-4, 2-6, 6-2.

#### What Ho! What Ho!

It is also rumored that two very prominent citizens of our borough, who are members of the Association, have challenged each other to meet on the court, at daylight some morning next week, and that everything is ready for the fray except the choice of seconds. Burgess-to-be Metzger and Apothecary Howard deny that they know anything about the forthcoming battle. Maybe our Gossip Correspondent on the 8.29 got the wrong dope. Anyway, murder will always out and we'll get this story yet!

## A Free Musical Training for Boys

TRAINING IN SIGHT SINGING AND VOICE CULTURE OFFERED BY ALL SAINTS CHOIR.

In connection with the choir work of All Saints Church, Wynnewood and Montgomery avenues, for the coming winter, the choirmaster has announced that to suitable boys of Narberth a free training in music will be offered.

This will include sight reading in choir singing, individual voice culture lessons to those who qualify, and even free lessons on the piano for boys especially gifted in that line.

This offer is open to members of any denomination, and the time required is so arranged as not to prevent attendance at their own Sunday School. Rehearsals are held twice a week, Tuesday and Friday, at 4 o'clock, at the Montgomery School, and the boys' choir reports at the church Sundays at 10:45.

This is an exceptional educational opportunity, as the training is equal to that of any large city choir, and none but the best class of boys are members. Gold crosses are awarded for improvement and interest, and a trip of some sort, to be announced later, is planned for the end of the season.

Apply either to Mr. David Spratt, 1408 East Moyamensing avenue, Philadelphia, or at the Montgomery Day School, Wynnewood and Montgomery avenues, next Tuesday, from 3:30 to 4 o'clock. Boys between the ages of 9 and 13 are eligible.

## If You Act Quickly

You may yet be able to become affiliated with the Narberth Choral Society and be eligible to sing in the first concert of the season, to be given in the Metropolitan Opera House within the next two months.

How about you, Miss Contralto? Mr. Tenor? Mr. Bass?

Sorry, Miss Soprano, the only thing we can do for you is to add your name to our waiting list of sopranos, as that part is filled, but we should be pleased to have you register with us for the first vacancies.

You will certainly enjoy the splendid variety of music selected for this concert in the Metropolitan, among which are some of the choruses from the grand operas, and several ballads with appealing story themes.

Rehearsals are held every Monday evening at 8 o'clock sharp at the Y. M. C. A. building.

Requirements to join the Narberth Choral Society are the possession of a fair or promising voice, and the knowledge of the rudiments of music.

There is a very nominal entrance fee. NO DUES.

Request Mr. F. R. Mitchell (Narberth 1274-M) to make application for you, or telephone Prof. Nice (Narberth 1608) for an appointment to ascertain whether you can qualify, secure your music, and then start with us next Monday evening, October 3rd.

Music is the one indispensable requisite which can lift you out of daily monotony and perpetuate a rosy outlook on life. Try it and see.

### NARBERTH WEATHER REPORT.

For Week Ending September 25.

	High.	Low.
Barometer	30.30	29.94
Temperature	82	52
Humidity, per cent.	98	36
Precipitation	1.30 inch.	
Total since September 1	2.69 inches.	
Temperature excess since September 1	138 degrees.	

### THE HEAVIEST RAINFALLS ON RECORD

While Narberth was visited during July by the heaviest rainfall of record for the time in which it fell, the Co-operative Observer of the Weather Bureau points out that it could not compare with the heaviest of record:

At Porto Bello, Panama, 2.48 inches were reported during a period of five minutes, Nov. 29, 1911, at 2:07 A. M. At Curtea de Arges, Rumania, 8.07 inches fell in twenty minutes, July 7, 1889. These are the heaviest rainfalls of record, but they may have been exceeded by cloudbursts in which measurements were not made.

## Prize Essay Contest

As announced in these columns last week, prizes amounting to ten dollars have been offered to the young people of Narberth for essays on one of four suggested subjects.

Look in last week's copy for details, which will be published again in the near future. The man who offers these prizes has made it a condition that at least twenty-five letters be submitted in order that the offer become effective.

The time limit for the contest will be announced in an early issue, together with the names of the judges.

### AMERICAN LEGION DANCES START NEXT WEEK.

The Narberth Post of the American Legion has announced its first dance of the new season. It will take place in Elm Hall on Friday night, October 7th.

The committee is planning an especially attractive dance, and it is expected that these dances will even surpass last year's, which were extremely popular.

## School Notes

(Continued from Page 1.)

remains a nucleus of old players around which to build a good team for the present season. There is plenty of good material in the school if it could be brought out. As the situation stands, the team will be light and green, but seems willing to work. Two elevens are practicing daily under Coach Herzog. This is the first year at Narberth for Mr. Herzog, who comes from Temple University and prior to that was at Northeast High School. Mr. Herzog, in addition to acting as coach of the various teams, is also Physical Director of the school.

At present no captain has been elected, but the choice lies between Martin and Dickie, veterans of last year's team. Dickie will play quarter-back and direct the team. He handles the team well and should be a good leader. He is fast and bucks the line well. Martin will play full-back. He hits the line hard and is the best line plunger since the days of Durbin.

Sperry and Heckle, new men in the game, are looking after the other back-field positions. Both are fast and ought to show up well. McCarter seems to be the logical choice for centre. He passes well, is speedy and plays as roving center.

Foot and Cunningham have been holding down the end positions. They are light but speedy and should handle forward passes in good style. Erdman and Muller are at tackle. They were "subs" last year and ought to hold up the rest of the line, which is for the most part green material. Vallette and Prattoni at guard are new at the game, but are strong and willing, and with a little experience ought to show up well.

Other men out are B. Prager, Barclay, J. Prager and Knight. In addition to the above there are enough boys in school to form another very good eleven if they would only come out.

Come out, boys! Your school needs you.

## Community Club to Hold First Luncheon

(Continued from Page 1)

be out now, or the President's phone may be ringing every day to be answered by, "Yes, Mrs. Prentiss H. Nichols will be with us again at the fall luncheon."

Will there be music? There will be first-class music and some jolly songs for all to sing.

Will there be any new feature? The Junior Department of the Club is invited to attend. This will bring fresh enthusiasm.

Seniors and Juniors are urged to be on their mettle on October 11 and show the neighboring clubs what Narberth women mean by welcome and hospitality.

Due to the illness of Mrs. E. H. Cockrill, the address for luncheon reservation has been changed to Mrs. H. A. Jacobs, 3 Elmwood avenue. Those already sent in have received attention, but to those who have not

yet asked for a seat, just send one dollar with your name to Mrs. Jacobs and a place will be reserved for you. This is for the members of the Woman's Community Club and for the members of the Junior Club.

### COMMUNITY CLUB CHORUS TO RE-ORGANIZE OCTOBER 6TH.

The Community Club Chorus for women's voices will reorganize for the winter's work under Mr. David Spratt, Director. The first rehearsal will be held at the home of Mrs. Stickney, 215 Forrest avenue, Thursday afternoon, October 6th, at 2:30 P. M. As a very busy season is in prospect, members are asked to report promptly.

The Chorus will sing for the Woman's Club of West Chester during November; an interesting historic carol service is planned for the holiday season, and Mr. Spratt has further engagements in prospect, to be announced later.

Though this Chorus originated as a club department, yet the club ideal is community service, and all women of Narberth who are specially interested in musical work will be eligible to the Chorus without the requirement of club membership, and are cordially welcomed.

Dues in the Chorus are nominal and rehearsals include a half-hour session in breathing, tone production, and vocal technique of great value to singers.

Anyone interested in joining the Chorus may notify Mr. Spratt, Director, Mrs. A. B. Ross, Chairman, or any member of the Chorus.

### JUNIOR SECTION WOMEN'S COMMUNITY CLUB TO HAVE LARGE "OPENING NIGHT."

The first meeting of the new season for the Junior Community Club is being planned especially to welcome new members to its midst, and a most interesting meeting is expected. The Club invites every young girl in Narberth who is not at present a member to come and see what a chance she is missing to be a live, wide-awake help to her community, and what numbers of good times and good friendships she is letting slip. The Club is sure that after a "first trial" by any "non-members" its roll will be amazingly increased. Of course the Club expects a hundred per cent. attendance of old members, ready to start the "new year" with a vim, and put a good "push" into all the new affairs the Club is planning.

The meeting will be held at the Y. M. C. A. on Thursday evening, October 6th, at 8 o'clock. Representatives from several other Junior Clubs in neighboring communities are expected, and several interesting features, including a woman speaker, will make up the program. And, of course, refreshments!

With such incentive, the Club anticipates a "full" attendance at the Y. M. on Thursday. So everyone, old members and new, remember to be on hand.

## THE FIRESIDE

(Continued from Page 1)

Mr. R. F. Wood has moved from Avon Road to his new home at 237 Forrest avenue.

Mr. A. C. Wilkie, of Montgomery avenue, has removed to Brooklyn, N. Y.

W. J. Henderson and family have returned from their summer stay at the shore.

Rally Day at the Presbyterian Sunday School tomorrow. Offering will be given to the Bala Home.

The Women's Auxiliary of the Presbyterian Church will hold its first meeting of the fall season next Wednesday.

Mr. Daniel Baird has returned from summering in New England to his home on South Narberth avenue.

Mrs. James R. Houston and family have returned from Groton Long Point, Conn., where they spent the summer.

The American Legion will open their series of fall and winter dances next Friday night in Elm Hall. These dances have always been a very popular feature of the winter activities.

## People to Vote on Recreation Center

(Continued from Page 1)

this meeting ways and means will be considered for acquainting every resident of the borough with the urgent need for just such a place as would be provided by the new outdoor recreation center.

### Ordinance Passed by Council.

The ordinance as passed by the Borough Council is as follows:

#### AN ORDINANCE

For the purpose of obtaining the assent of the qualified electors of the Borough of Narberth to increase the indebtedness of said Borough for the purpose of acquiring a tract of land to be used as a public playground.

The Council of the Borough of Narberth does ordain:

Section 1. That it is the desire of the corporate authorities of the Borough of Narberth that the indebtedness of said Borough of Narberth be increased by the sum of Thirty Thousand Dollars (\$30,000) for the purpose of acquiring a tract of land to be used as a public playground.

Section 2. That said loan is to be secured by bonds of the Borough of Narberth, and that a public election be held on Tuesday the eighth (8th) day of November, 1921, between the hours of 7 A. M. and 7 P. M., at Elm Hall, in the said Borough of Narberth, for obtaining the assent of the electors of said Borough of Narberth to the said proposed increase of Thirty thousand Dollars (\$30,000) indebtedness, and that notice of said election be given according to law.

Passed this 8th day of August, 1921.

W. R. D. HALL,  
President of Council.  
Attest: CHAS. V. NOEL,  
Secretary of Council.

Approved this 9th day of September, 1921.

CARROLL DOWNES,  
Chief Burgess.

In discussing the meeting called for next Monday night, Mr. Cabrey said that he hoped every citizen who possibly could would attend. The women are as deeply interested in this matter as the men, and they too are urged to be at Elm Hall Monday evening, and both by their presence and their suggestions aid and support the plan to provide Narberth with the facilities so badly needed for outdoor recreational activities and which present conditions and facilities do not provide.
